Memorandum of Understanding

I, _____ understand that members, teachers, instructors, and service providers within 5D Services are or may not be licensed health care providers, educators, teachers, or coaches. I understand that within 5D Services a private contractual relationship exists as a contract member to member association relationship. I have freely chosen to become a private member of 5D Services heretofore declared Association and thereby change my legal capacity as a public person, customer, or client to a private member of 5D Services.

- I understand that, since The Association is protected by the applicable Amendments to the U.S. Constitution, it is outside the jurisdiction and authority of Federal and State Agencies and Authorities concerning any and all complaints or grievances against The Association, any Trustee(s), members or other staff persons. All rights of complaints or grievances will be settled by an Association designee, committee, or tribunal and will be waived by the member for the benefit of The Association and its members. By agreeing to this membership form I agree that I have sought sufficient education to determine that this is the course of action I want to take for myself and my children.
- Because the privacy and security of membership records maintained within The Association, which are held to be inviolate by the U.S. Supreme Court, the undersigned member waives HIPAA privacy rights and complaint process. However, any medical or healthcare records kept by members of The Association will be strictly protected and only released upon written request of myself as a member.
- I agree that violation of any waivers in this membership contract will result in a no contest legal proceeding against me.
- Other aspects of informed consent may take place in my discussions with the providers and my fellow members of The Association.
- As I am voluntarily choosing this method of education and service providers, I will not hold The Association or its members financially liable for any particular outcome.

I agree to join 5D Services, a private membership association under common law, whose members seek to help each other achieve better health, education, and good quality of life. My activities within The Association are a private matter that I refuse to share with the State or local Board of Education or other governmental regulatory agency without expressed specific permission. All records and documents remain as property of The Association, even if I receive a copy of them. I fully agree not to pursue any course of legal action against a fellow member of The Association, unless that member has exposed me to a clear and present danger of substantive evil, and upon the recommendation and approval of the Association. I enter into this agreement of my own free will without any pressure or coercion. I affirm that, as a private member I do not represent any Local, State or Federal agency whose purpose is to regulate and approve products, services, or practices, or to carry out any mission of enforcement, entrapment, or investigation.
